Computer Aided Design Centre
JADAVPUR UNIVERSITY

MOOC Admission Notice

CAD Centre, JU is offering the following Massive Open Online courses (MOOCs).
Visit www.cadcentreju.org for further details.

Date of commencement: 10 November 2021
Last Date of Application: 5 November 2021
Duration: 11 Weeks (Two Credits)
Eligibility: UG students or higher

**Information Technology Courses**
Programming Approach using Python
Programming Approach using R
Functional Programming using Python
Functional Programming using Elixir
Programming using JAVA
Machine Learning using Python
Machine Learning using R
Data Structure using JAVA & Python
DevOps
Go Programming Language
Database Management System using PostgreSQL & MongoDB
Advanced Blockchain Technology
Data Science using Python
Data Science using R
Deep Learning using Python
Time Series Analysis using Python
Financial Engineering using Python
Cyber Security
React Native
Flutter
Web Development using HTML, CSS, Java Script
Web Development using PHP, MySQL
Cloud Computing
Blockchain
Google Big Query & Data Integration
Business Analytics using Excel (for BBA/BCA/MBA etc)
HR Management using Excel (for BBA/BCA/MBA etc)
Concept of IoT
Angular
Node JS
Tensor Flow
Automata

Core Engineering Courses
CNC Programming
AutoCAD
CATIA
Verilog
Remote Sensing
GIS (Geographic Information System)
Robotic Process Automation (RPA)
PLC
Renewable Energy

Management Domain Courses
Project Management
Quality Management System
Six Sigma_Part_1
Six_Sigma_Part_2
Digital Marketing_Part_1
Digital Marketing_Part_2

5/10/2021

Prof. Chiranjib Bhattacharjee
Director
Computer Aided Design Centre
Faculty Council of Engg. & Tech.
Jadavpur University
Kolkata
