Considered the implementation criteria on Resolution No. 1(a) dated 30.7.2013 of the Executive Council.

Resolved that –

- 1) The resolution NO.1(a) dated 30.7.2013, be applicable to students of Engineering and technology Faculty admitted before the academic session 2013-14.
- 2) A student failing in any number of subjects is eligible to carry them as progression to next semester if he/she has passed all the sessional subjects of that semester. However, the students who will get less than 50% in total of theory and sessional/practical subjects may apply (if they wish) in writing to the Joint Registrar (Academic) for casual enrollment/readmission within 15 days from the date of publication of promotion list.
- 3) The qualifying marks in supplementary and re-supplementary examinations will be calculated on the basis of actual marks obtained in the respective examination from second semester supplementary examination, 2013"
