

Welcome to the test portal for the MPHIL Entrance Examination, School of Cognitive Science, Jadavpur University. Please read the following instructions carefully. It will be in your favour to read and understand the instructions before starting the test.

**Please follow the list below from 1 through 16 to take the Entrance test and submit successfully:**

1. Please ensure that your devices are charged. Please connect them to the charger in case your device is low on power.
2. Please ensure your device microphone is working.
3. Make sure your camera is working. Your background must have a wall behind you. There should not be any clutter or too many objects in your background.
4. **Please ensure that your device has google chrome as the browser.** In case you don't, you can download from Play Store/ google.
  - a. For mobile: Go to Play Store and download Google Chrome
  - b. For Window's users: <https://www.google.com/chrome/>
  - c. For Mac Users: <https://www.google.com/chrome/>
5. **Please ensure you have logged into your Google Chrome using the same email id you have provided in your application form. Your responses from any other email will not be counted as a valid response.**
6. This test has a **Practice Block** designed for you to familiarize you about the format, the online look of the test and the response format of the test.

7. We also want to confirm that your devices (computer/mobile) have the required configuration to take the test.
8. The test uses an **autoproctor** and a **timer**. Think of Autoproctor as your invigilator during the exams who is carefully watching you during the test. Please go through this link before you start the test: <https://www.autoproctor.co/tests/start-test/GFICZZZA>.

Please copy this link and paste in Google Chrome. **YOU NEED TO LOG IN WITH YOUR EMAIL ID YOU HAVE PROVIDED IN THE APPLICATION FORM.** For any issues if trying to log in with a different login id, contact Whatsapp @ 8910050563 or email: [dir.cognitive@jadavpuruniversity.in](mailto:dir.cognitive@jadavpuruniversity.in)

9. Note that you have to allow autoproctor to access your camera and microphone. Please click on the entire screensharing mode to provide permissions.
10. Now let us start the Practice Block. Please copy and paste the link for the test in google chrome: <https://www.autoproctor.co/tests/start-test/gZPp2wy1WB>

**YOU NEED TO LOG IN WITH YOUR EMAIL ID YOU HAVE PROVIDED IN THE APPLICATION FORM.** For any issues if trying to log in with a different login id, contact Whatsapp @ 8910050563 or email: [dir.cognitive@jadavpuruniversity.in](mailto:dir.cognitive@jadavpuruniversity.in)

11. The test starts at 2.00 PM. The duration of the Practice test is 15 mins. Please remember that the test automatically becomes unavailable when the test duration completes. If you do not submit the test by 2.15 PM, all your responses will be deleted. PLEASE SUBMIT THE RESPONSES BY 2.15 PM.

**12. You will receive on screen messages if your face is not detected or there is noise at your end. Please ensure your face is detected by the camera at all times and there is less noise around you. Please do not switch tabs or open new windows. This will increase your trust score.**

13. In case you have problems viewing this in chrome please check the permissions settings of your app. For any issues please Whatsapp @ 8910050563 or email: [dir.cognitive@jadavpuruniversity.in](mailto:dir.cognitive@jadavpuruniversity.in)
