India4EU II – Project Under Erasmus Mundus External Cooperation Window

It is notified for information to all concerned that Jadavpur University is a partner of the “India4EU II” Project under Erasmus Mundus External Cooperation Window. The Website of the same is www.india4eu.eu

“India4EU II” is an institution based mobility and scholarship project organized by a consortium of some of the most prestigious Universities in Europe and India. India4EU II allows one to undertake a study/research period abroad. It is open to undergraduate, graduate, doctoral, post-doctoral students, faculty and academic staff. The Project and the scholarships are funded by the European Commission which covers organization of the mobility, subsistence allowance, travel costs, insurance costs and tuition fees.

Ten Indian Universities and ten European Universities are involved in this project. In this scheme students, scholars and academic staff members will be given chance to study/ teach/ pursue research in European Institutes. Candidates from different levels (Undergraduate, Postgraduate, Doctoral, Post-doctoral, Faculty, Academic Staff) from Jadavpur University can visit European Universities (the list is given in the website) in this regard.

Individuals may apply online for mobility of different durations depending on the length of course/ programme offered by the host (European) University. The offer is open till February 18, 2013. For further details, please visit: www.india4eu.eu
