University Grants Commission has established six Inter University Centres namely, the Inter University Accelerator Centre, New Delhi ; Consortium for Educational Communication, New Delhi ; Inter University Center for Astronomy & Astrophysics, Pune ; UGC-DAE Consortium for Scientific Research, Indore; National Assessment and Accreditation Council, Bengaluru and INFLIBNET, Ahmedabad. Out of these Centres only three centre(s), namely, Inter University Accelerator Centre, New Delhi ; Inter University Center for Astronomy & Astrophysics, Pune and UGC-DAE Consortium for Scientific Research, Indore are providing the requisite facilities for university teachers and research workers for undertaking research in their respective areas of specialization / subjects in the university system.

Use of these National facilities by the university faculty / researchers may kindly be encouraged to enable them to work and participate in the activities of the centre while treating them as on duty. These centres may be considered as field stations of all universities and the pre-Ph.D. courses given at IUCs, may be recognized for fulfillment of course work of students for Ph.D. The travel and other expenses will be met by these centres as per norms.
