Project - Remote Health: A Framework for Healthcare Services using Mobile and Sensor-Cloud Technologies

Applications are invited in prescribed format for the following posts to work in the above project funded by Information Technology Research Academy (ITRA), Ministry of Communications and Information Technology, Govt. of India.

1. Junior Research Fellow (leading to PhD) – 6 positions

**Qualification:** M.E./M.Tech in Computer Science & Engineering / Information Technology or equivalent with minimum 6.5 CGPA or 60% marks from any recognized Institute/University.

OR

B.E./B.Tech in Computer Science & Engineering / Information Technology or M.Sc. In Computer Science or MCA with minimum 6.5 CGPA or 60% marks from any recognized Institute/University and minimum two years working experience in industry or academia or any similar kind of research project.

Exceptional candidates with only B.E./B.Tech in Computer Science & Engineering / Information Technology or M.Sc. In Computer Science or MCA and without work experience may also be considered. However, if selected their emoluments will be less as per rule.

Knowledge in programming languages, in particular in Java and C and experiences in working with Linux / Unix operating systems is essential.

Knowledge in wireless networking and distributed computing is desirable.

Fellowship (per month): For M.E./M.Tech candidates or B.E./B.Tech/M.Sc./MCA candidates with work experience - Rs. 18,000 Basic + admissible allowances as per rule.

2. Technical Assistant – 1 position

**Qualification:** Graduate in any discipline with Diploma in Computer Science or in Computer Applications or passed A level or equivalent.

Desirable Qualification: More than 5 years experience of setting up of hardware and software laboratory, system and/or network administration, and assisting in such laboratories in the context of Mobile Computing and Distributed Computing.

Salary (per month): Rs. 20,000 consolidated
Interested candidates are requested to submit their applications in prescribed format  
(available form Information Cell, Jadavpur Campus) to School of Mobile Computing &  
Communication (mobile Computing building), Saltlake campus, Jadavpur University by  
6th January, 2014. Shortlisted candidates, date of interview and other information will be  
notified on the web site on January 8, 2014.

Candidates selected for JRF positions will have to register for Ph.D. at Jadavpur  
University after clearing the institutional admission procedure.

For further details please contact School of Mobile Computing and Communication,  
Jadavpur University (Ph. No. 033 2335 6122 / 23406224).

**Duration:** Initially one year and may be extended upto three years or end of the project  
based on the performance of the candidates.

No TA/DA is admissible for candidates appearing for the interview.
