Call for Quotation for DO meter

Specification:

- Portable meter
- Waterproof
- DO multi parameter provision with pH, ion and ORP.
- Auto logging facility
- Simultaneous measures and displays
- $\pm 1\%$ full scale accuracy.
- Measures DO above 60 mg/L and DO saturation above 600%,
- Fast and easy DO calibration.
- Salinity, temperature and pressure correction.
- No warm uptime requirement
- Display units in % saturation and/or in mg/L.
- pH range: 0 – 14 pH
- resolution: 0.01 ppm/0.1%
- operating temperature: 0 – 50C
- Auto calibration features
- DO probe
- pH probe
- preferable software
- multi probe holder
- power adapter

Quotations are invited within 2 pm of 21.02.2017. The quotations will be opened on 21-02-2017 at 3 pm.
