

One-Day Workshop  
On  
*Advanced Machining Processes*  
22<sup>nd</sup> March, 2017

Organized By

Mechanical Engineering Department  
TEQIP-II  
Jadavpur University  
Kolkata-700032, West Bengal, INDIA

**ABOUT JADAVPUR UNIVERSITY**

The great sons, patriots, freedom fighters and visionaries of the then Bengal took courage to start the National Council of Education for imparting technical education, challenging the elitist education system provided by the British rulers during the pre-independence era. One objective was to develop technical manpower for the purpose of nation building. After independence the NCE, Bengal was converted to Jadavpur University in 1955 through an act of West Bengal State Assembly. Since then Jadavpur University is a fully state aided university providing very low cost, but very high quality engineering education. Apart from Faculty of Engineering and Technology, the university provides very high quality education in Arts, Science and also in various interdisciplinary areas. There are 17 departments under Faculty of Engineering and Technology. The university is one of the first five universities in India on the basis of Teaching and Research quality as assessed by the University Grants Commission.

**ABOUT THE WORKSHOP**

There is a need for machine tools and processes which can accurately and easily machine the most difficult-to-machine materials and workpieces with intricate and accurate shapes. In order to meet these challenges, a number of newer material removal processes have now been developed to the level of commercial utilization. This course aims at enriching the knowledge of the participants with the latest technological developments and research trends in the field of modern machining processes.

**DATES TO REMEMBER**

Last Date of Registration: **March 20, 2017**  
Intimation Regarding Selection: **March 21, 2017** (Through Email only)  
Workshop Date: **March 22, 2017**

**Note:**

- ✓ **No TA/DA will be provided to the participants.**
- ✓ **Only limited number of participants will be selected on first-cum-first serve- basis.**

**REGISTRATION: No Registration Fee**

**HOW TO APPLY?**

Interested participants may send their application in prescribed form to the convener **on or before March 20, 2017** (registration form may be sent by E-mail).

**Address for Correspondence**

**Prof. Asish Bandyopadhyay**
