Date: 16th October 2017

CIRCULAR FOR WITH-HOLDING THE REVERSE CHARGES TILL 31 MARCH 2018

In modification of earlier circular no.: REC/N/296/2017 dated 10.8.2017, this is to inform all that the GOI has amended the GST Law, vide notification no.38/2017-Central Tax (rate) dated 13th October 2017 and No.:32/2017-Integrated Tax (Rate) dated 13th October 2017. **As per latest order the provision of the 'Reverse Charges' has been put on hold upto 31st March 2018.**

Thus all concerned Users [HoDs, Directors, Co-ordinators/PIs of the Projects etc.] of the University are requested to note that the provision of 'Reverse Charge' for the purchase/avail goods and services from the 'Un-registered Vendors' is longer in force. Thus, the additional burden of GST under 'Reverse Charge' on such purchases/supplies will not be applicable till 31st March 2018.

All bill processing sections of the University are requested to follow this revised instructions, as per this circular and not to insist on the 'GST under Reverse Charge' for any purchases/supplies from any unregistered vendors, at the time of passing bills both for party payment and reimbursement.

Thus the instruction under previous circular No.296 dated 10.8.2017 for the 'Reverse Charge' stands withdrawn until further order.
