Corrigendum to advertisement for admission to Diploma in Industrial Safety & Environmental Management

In partial modification to our earlier notification dated 06/12/2017 regarding admission to Diploma in Industrial Safety and Environmental Management the following may also be considered to be eligible:

Candidates having B. Sc. degree apart from the one already advertised (namely Physics, Chemistry and Mathematics) may also apply. However, they should have Physics or Chemistry as one of the subjects in the B. Sc. degree.
