Late Prof. Mithil Ranjan Gupta was an inspiration to all of us and generations of young students and research workers in the field of Nonlinear Science, Fluid Mechanics and Plasma Physics.

On the occasion of Prof. Gupta's 87th birth anniversary, a National Seminar in his memory is being organized by Centre for Plasma Studies (JU) & Advanced Centre for Nonlinear and Complex Phenomena (ACNCP) in collaboration with Dept. of Mathematics (JU) on 3rd August, 2018 (Friday) in the Seminar Room of the Department of Mathematics, Jadavpur University, Kolkata. In the seminar, 5th M. R. Gupta Memorial Lecture will be delivered by Prof. Sandip Kr. Chakrabarti, Professor, S.N. Bose National Centre for Basic Sciences, Kolkata

For presentation in the Seminar, research papers are invited in the field of Nonlinear & Complex Phenomena with special emphasis in the area of Plasma Physics, Fluid Dynamics, Astrophysics and Biological system. Faculty members, Research Students, P.G. Students, members of ACNCP, and all interested persons are cordially invited to participate and to contribute papers. All are requested to register their names at an early date.

Prof. M. R. Gupta memorial prize(s) will be awarded to the best paper(s) presentation among the contributors having less than 35 years of age.
