

**2<sup>nd</sup> National Symposium  
on  
Recent Trends in  
Instrumentation Science &  
Technology  
(NSRTIST - 2019)**

**January 18, 2019**

Organized by

**Dept. of Instrumentation  
Science,  
Jadavpur University**

contact address:

Phone : 9432181532 / 03324572965

**Objectives**

The Symposium aims to bring together researchers and scientists from academia and R & D laboratories to discuss and exchange latest progress and development of sophisticated instrumentation facilities on material science.

Instrumentation plays an effective role in the entire field of Science and Technology. With the advancement of technologies, particularly in the region of computation & electronic system, energy storage & conversion and biomedical application an immense change has been taken place in the area of Instrumentation. Analytical Instrumentation, sensors and transducers, automation process and process control, surface science and coating technologies etc. are important part of the Instrumentation science and technology. So, the aim of the Symposium is to promote scientific information interchange among researchers and developers working in this field.

**Organizing Committee**

**Chief Patron:** Hon'ble Prof. Suranjan Das,  
Vice Chancellor, JU

**Patron:** Prof. Pradip Kumar Ghosh,  
Pro Vice Chancellor, JU

**Chairman:** Prof. Subratanath Koner  
(Dean of Science faculty, JU)

**Vice Chairman:** Dr. Sankar Narayan Patra , HOD

**Convener & Treasurer:** Dr. Sachindranath Das

**Joint Convener:** Dr. A.K. Ghosh

**Members**

Prof. A. K. Pal, Dept. of Instru Sc., JU

Prof. R. Bhar, Dept. of Instru Sc., JU

Prof. M. Khan, Dept. of Instru Sc., JU

**REGISTRATION FORM**

**Name:**

**Affiliation:**

**Designation:**

**Official address** (with telephone no. and email id):

**Title of presentation:**

**Mode of presentation:**

**Date:**

**Signature**

Registration Fees: 500/-
