Notes

Service Details

As a student, I have completed a post-secondary program in agriculture. I am currently working as a research assistant in a laboratory. I have a strong interest in agriculture and want to pursue a career in this field. I am looking for opportunities to gain practical experience and contribute to the field of agriculture. I have a strong academic background and a passion for learning. I am confident that I can contribute to the success of the program and provide valuable insights into the field of agriculture.

Employment Details

Are you employed? No Yes

Area of Interest & Other docs

SRNO	Area of Interest	Why you have applied for?
1	If opportunity given to do research project by MoTA for any other sector.	If I get a chance to get research project by MoTA for any other sectors then I will try to do my best. I will try to find the best results and give my best effort.
