School of Materials Science and Nanotechnology

Jadavpur University

Date: 17.02.2020

Applications are invited from undergraduate engineering (B.E/B.Tech third or fourth year student with specialization in Nanotechnology/Electronics and Communication Engineering,/Materials Science/Mechanical Engineering) or post graduate science student (M.Sc first year student with specialization in Physics or Chemistry) for a temporary internship of two months starting from 1st March, 2020 under the Scientific Social Responsibility (SSR) activity of a Science & Engineering Research Board (SERB) sponsored research project (Size Selective Carbon Quantum Dots and its Application to Luminescence and Solar Cell, FILENO. EEQ/2018/001127, PI: Sourav Sarkar, School of Materials Science and Nanotechnology, Jadavpur University, Kolkata).

Interested candidates are requested to send their CV and cover letter to the email id: sourav.sarkar@jadavpuruniversity.in within seven days from the publication of this advertisement. Full name of the candidate along with the stream of study should be mentioned in the subject line of the email. The final selection of the intern will be done by the Administrative Committee (AC) of the project. The selected candidate will be informed through email and he/she will get Rs. 5000 per month (max two months) as Student Assistantship during the two months of internship as sanctioned by SERB.

Selected student will have to submit a no objection certificate (NOC) from his/her respective institution and he/she should bring original and self-attested photocopies of marksheets and testimonials.

Desirable: Idea about Nanoscience and Technology, Solar cell, Optical Properties of materials.

Duration: Two months

Assistantship: Rs. 5000 per month (max two months) as Student Assistantship.

Additional Points: No TA/DA other than the Student Assistantship of Rs. 5000 will be provided during the period of internship.
