

JADAVPUR UNIVERSITY
Kolkata – 700032

Dated: 19.05.2020

Ref. No:

NOTICE

This is to inform all concerned that due to the imminent super cyclone “Amphan” which is expected to hit the coastal districts of West Bengal including Kolkata on 20th May 2020, all those who have taken shelter or reside within the campus of the Jadavpur University are hereby advised not to take shelter under temporary corrugated tin shades and structures, thatched roofs and baked tile roofs or trees which may prove to be detrimental during the super cyclone and can cause severe injuries or even fatal accidents. Therefore, the Amenities Centre and the Gandhi Bhawan has been opened and allocated for such residents of Jadavpur University for taking safe shelter during the cyclonic storm. Please exercise caution and take safety measures accordingly during the cyclonic storm to avoid any hazards and jeopardy.
