My appeal to all members of the University community and Alumni

Ms. Swati Mondal, a former Student of B.E Power Engineering (2015-2019 session), met with an unfortunate accident on 1st November, 2020. She fell from the 3rd floor of a building under unknown circumstances and was rushed to NRS Medical College & Hospital, Kolkata. She has suffered severe injuries, particularly in the lower spine and pelvic region. She has been in semi-coma for the past 10 days now, and is battling between life and death. Needless to say, her condition requires multiple surgeries, which puts her family under great financial strain, as Swati's father works in Kolkata Police at a lower rank and can't afford his daughter's treatment.

Swati was shifted to the Institute of Neurosciences, Kolkata on 2nd November, 2020. On 11th November, 2020, she has been shifted to CMRI, Kolkata. After observing her for the past 10 days records, doctors have concluded that required surgeries can be performed. Approximate expenditure as stated by doctors can be around 10-12 lakh INR. (We are yet to receive the detailed expenditure report). Meanwhile, students of Jadavpur University have started raising funds and have been able to collect approximately 3.5 lakh INR. A copy of the medical report from the INS is attached.

I request my faculty colleagues, other employees and officers; and the Alumni of Jadavpur University to make generous contributions to help us raise the required amount for treatment of Ms. Mondal. Following are the details of the bank account of Swati's mother to which contributions can be sent:

Account name - Sabita Mondal
Account number : 10400100008581
Name Of Bank : Bank of Baroda
Branch Name : Andul Road, Howrah
IFSC CODE: BARB0AUNDUL (The fifth character is zero)

I do hope all concerned will favorably respond to this appeal and help the former student of the University in such a situation.

Suranjan Das.
