Registration of willingness for admission to M.A.(Day & Evening) courses 2020-21

The applicants from other Universities who are willing to take admission in M.A.(Day & Evening) courses 2020-21 are advised to note the following points.

- After the 5th round of admissions a ‘**Wish-List**’ will be prepared of those candidates only, whose names are waitlisted after the 5th round of admission and who will also register their willingness for admission to M.A.(Day & Evening) courses.
- Applicants whose names have been already provisionally selected for admission upto 5th round are not eligible to register their willingness.
- Applicants who have already secured admission to a subject need not to register their willingness for admission to the same subject again.
- A new Provisional Waiting List will be prepared on the basis of merit and willingness of candidates.
- The University will not entertain any claim to admission by candidates who have not registered their willingness.
- After the registration of willingness, all Provisional Lists will be prepared from the new Provisional Waiting List on the basis of merit and willingness of candidates.
- Registering willingness does not ensure admission. Admission will be conducted on the basis of available vacancies in a particular subject and respective categories.
- **The last date for registration of willingness by applicants is 15/02/2021 upto 12 noon.**
