My appeal to the Jadavpur University community, including alumni/ae

Mr. Jahidul Hoque, a former student of this university, who completed his Masters' degree from the Department of History this year (2021), has been diagnosed with blood cancer and is presently undergoing treatment at the Kidwai Memorial Institute of Oncology, Bangalore.

Jahidul belongs to an economically backward family from Cooch Behar district in North Bengal who will find it extremely difficult to bear the cost of his treatment, which is estimated to be in the region of Rs. 30,000/- per day, for a period of about three weeks to begin with. This means that his family will have to raise a sum of over Six Lakhs of rupees for the initial phase of his treatment.

As endorsed by the Head of Department of History, Jadavpur University, I request all faculty members, other employees, including officers, and alumni/ae of Jadavpur University to make generous contributions and help us raise the required amount.

Following are the details of Jahidul's bank account to which contributions can be sent:

Name: JAHIDUL HOQUE

Account Number: 38734773930

Bank: State Bank of India

Branch: Jadavpur University

IFSC: SBIN0000093 (note: there are five zeroes after SBIN)

I hope members of the extended Jadavpur University family will respond favourably to this appeal and help a former student of the University in his hour of distress.

I thank you all for your care and concern.
