D.O. No. F6(12)/DCPCR/2021-2022 /CPPB/19229
Dated: 28th January 2022

Dear Prof. Suranjan Das,

I am writing this letter to seek your help in circulating the 'Call for Submission' to your faculty and research students for *Children First: Journal on Children's Lives*, the bi-annual Journal of the Delhi Commission for Protection of Child Rights (DCPCR), Government of Delhi.

The first issue of the Journal, published in November 2021, captured the initial impact, experiences and mitigating efforts in the context of the first year of the pandemic.

To further document, analyse and address the continued impact on children in the Indian context in the second year of the pandemic, *Children First - Journal on Children's Lives* welcomes contributions for its next issue. The theme for the next issue is '*Second Year of COVID-19 Pandemic- Disrupted Childhoods, Disrupted Education*'.

The submission may focus on educational issues, but need not be limited to it and may well focus on social and emotional issues, immunisation, nutrition, child protection and legal issues too.

The submission may be in the form of original research, implementation challenges essay, best practices or critiques/commentary on different domains related to children as defined above.

Detailed guidelines are attached to the email for your reference. The same are available on our website too in the "Journal" section.

We are happy to introduce our journal's editorial team led by Dr. Venita Kaul and includes Prof. Vimala Ramachandran, Dr. Vandana Prasad, Prof. Mahesh Menon and Dr. Suraj Yengde.
