A course on different aspects of
IC Design & Fabrication Technology

1] IC Design and Fabrication by Microelectronics Technology.
   - Duration: 6 Weeks, two days in a week
   - Course Fee: Rs. 3,000/-
   - Course Start: 5th August 2013

   - Duration: 6 Weeks, two days in a week
   - Course Fee: Rs. 3,000/-
   - Course Start: 20th August 2013

   - Duration: 8 Weeks, two days in a week
   - Course Fee: Rs. 4,000/-
   - Course Start: 5th August 2013

   - Duration: 12 Weeks, two days in a week
   - Course Fee: Rs. 5,000/-
   - Course Start: 13th August 2013

   - Duration: 6 Week, two days in a week
   - Course Fee: Rs. 3,000/-
   - Course Start: 5th August 2013
